

REMARKS

By way of this amendment, the specification is amended to replace the original Sequence Listing with the Substitute Sequence Listing provided herewith. The content of the Substitute Sequence Listing submitted herewith is identical to the content of the original Sequence Listing, but has an updated attorney docket number, and updated identifiers for application numbers and filing dates for the international and national stages of the present application. No new matter has been added. The Substitute Sequence Listing is provided herewith in computer readable form (CRF) only. Applicants submit that they have complied with the Sequence Listing Rules, and that the application is ready for substantive review. The Examiner may call the undersigned at 302-885-9129, if a telephonic interview would be helpful.

Respectfully submitted,

Date: 6 August 2008
